Tests:	Chapters	Date
Test 1	1, 2, 3	Monday, September 26
Test 2	4, 5, 6	Monday, October 17
Test 3	7, 8	Monday, October 31
Test 4	9, 10, 11	Monday, November 21
Test 5	12, 13, 14	Thursday, 1:00 pm December 15

Tests: The tests will be multiple choice consisting of 40-50 questions. There will be four tests given during the term and the fifth test will be given during finals week. Your grade will be calculated on your four best scores out of the five tests. If you do not take one of the tests that test score (0) will be dropped when calculating your grade. Test 5 is an **extra credit test** and normally does not have make-ups. **No** make-up tests will be given without a doctor's or other official written excuse. Make-ups **must** be taken within one week of the originally scheduled exam. Also, **no** student will be allowed more than 1 make-up. If classes should be cancelled on the day of a scheduled test or on the class before a test, the test will be moved to the next class session.
